Additional OJP Drug Court Planning, Implementation and/or Enhancement Grants to State Court Administrators/AOD agencies in: Alabama; Alaska; Arkansas; California; Connecticut; Hawaii; Kentucky; Louisiana; Michigan; Mississippi; Missouri; New Jersey; New Hampshire, New Mexico; New York; Ohio; Oklahoma; Oregon; Rhode Island, Vermont; Virginia, and Washington; the Arkansas AOC grant has been used to plan a post-conviction drug court in Pulaski County (Little Rock).

[] indicates a jurisdiction that had been planning for a drug court or previous drug court activity suspended/consolidated with other program /or no current activity; these jurisdictions are not included in the totals for “Total Active” drug courts.

SUMMARY: 50 states (all states have been implemented) plus the District of Columbia, Northern Marina Islands, Puerto Rico, Guam, and two Federal Districts (one implemented but temporarily suspended until new probation officer is assigned), and 136 tribal drug court programs 59 of these courts have been implemented and 77 are planning).

*Program became operational in January 2001, but as a “community court” rather than a drug court.
